## APP - Implications for the Day-to-Day Teaching of Maths

KEY STAGE 1/KEY STAGE 2

23rd June 2010	1.30pm - 4.30pm	The Green Wood Centre, Ironbridge
16th September 2010	1.30pm - 4.30pm	The Monkhouse Granary, Shrewsbury

*'The APP approach to assessment is based on a rich and varied range of evidence which is generated by day-to-day teaching and learning. Important features of this evidence are independence, choice and creativity.'*

*Primary National Strategy*

This course will support the development of high quality everyday practice which allows teachers to make accurate judgements about children's attainment and progress. This course will also look at how APP fits within the 'Learning and Teaching Cycle', enabling teachers to make full use of existing resources when addressing the gaps identified in the assessment process.

**Cost: £75**

per course including refreshments

## Teaching Maths Through Relevant and Engaging Contexts

FOUNDATION/KEY STAGE 1/KEY STAGE 2

10th June 2010	9.30am - 4.00pm	The Green Wood Centre, Ironbridge
30th September 2010	9.30am - 4.00pm	The Monkhouse Granary, Shrewsbury

*Identifying real and relevant contexts as starting points for high quality mathematics.*

**Real understanding of mathematics starts and ends in the real world.** This course examines how children learn most successfully in mathematics and practically explores 'Real World' ideas and contexts that can be used immediately in the classroom.

**Cost: £135**

per course including lunch & refreshments

## Teaching Maths Through Stories

FOUNDATION/KEY STAGE 1

19th October 2010	1.30pm - 4.30pm	The Monkhouse Granary, Shrewsbury
-------------------	-----------------	-----------------------------------

*Maximising the rich potential of mathematics through well loved children's stories.*

Many teachers use well known children's stories to teach Literacy effectively. This course will demonstrate the wonderful opportunities to **teach and assess all areas of the Maths curriculum** through these engaging and familiar contexts.

**Cost: £75**

per course including refreshments
